	1	5

Hidato II: Connect the numbers

Make a chain from 1 to 16, connecting the squares vertically, horizontally, or diagonally.
Sometimes it helps to work backwards from a number.

7		1

16		14	

Hidato III: Connect the numbers

Make a chain from 1 to 25, connecting the squares vertically, horizontally, or diagonally.
Sometimes it is helpful to work backwards from a number.

17			23	21
15		25		
		19		9
13	3	11	5	
	1			6

	19	16	14
